This multi-round Net Stroke prize list has been calculated based on each player's GA Handicap going into the first round. To calculate the Net Stroke Score column for each round (i.e. the column marked "N"), we take the GA Handicap going into the first round and the Slope Rating of the course that was played in each round and use that to derive a Daily Handicap which is then deducted from the Gross Score (i.e. the column marked "G") to arrive at a Net Stroke Score.
