Course Record:-

The score must be in a stroke competition and the course must be played:-

- ✓ as the ball lies
- ✓ Off the black plates

Handicaps:-

All club single and team events will be played off each player's **Daily Handicap** for the course being played. Handicaps will be printed on players' cards. If this is not done it is each player's responsibility to ensure that the correct handicap is recorded on his/her card. Handicaps can be checked on any of the computer terminals in the club. Otherwise players can check with the pro shop or a member of the Match Committee.

Holes in One & Eagles:-

A Hole in One & an Eagle will be recognised in Wednesday and Saturday competitions including match play. An "Eagles Nest" account is kept by the pro shop, with \$5 for each Wednesday and Saturday competition being placed in this account. For a Hole in One a copy of the card will be given to the administration staff for recording on the Hole in One board. The club will provide a \$40 voucher, a certificate and a trophy to mount the ball. Players who score an Eagle or Hole in One must place their card in the "Eagles" box on the Match desk counter. Competition Conditions & Wet Weather:-

A competition will be held unless the course is declared unplayable and closed or if there are insufficient starters to form a competition. There needs to be 16 starters to form a competition – if there are less than 16 players it will become a ball competition run by the Pro Shop.

The Captain in consultation with the Match Committee has the right to reprogram major events. Any player who enters the competition does so knowing that the competition may be abandoned if the course becomes unplayable or if there are insufficient starters to form a competition. During the play of a major event if the course is declared unplayable and closed by the green staff or Match Committee the event will be rescheduled where possible.

Players are expected to report to the Pro shop a minimum of 15 minutes before their scheduled tee time. 30 Minutes is recommended in case it is necessary to reorganise some groups. The pro shop staff are authorised by the Match Committee to make such changes in the interests of a balanced allocation of players.

If a player has to withdraw from a competition it is his/her responsibility to notify the pro shop as early as possible, (and certainly prior to the scheduled tee time).
