COMPETITION START AND FINISH TIMES

Start Times – 7.15 am during daylight savings on a Tuesday otherwise 8:00 am unless otherwise stated.

Finish Times – 30 minutes after last group leave the final hole of play.

The Golf Club Match Committee has ruled that one tee will be used for competitions except for our Monthly Medal competitions on Tuesdays where two tees will be used. These tees will be two of the following three tees – 1st / 10th / 19th tees depending on the course that is being played on the day.

COUNTBACKS in accordance with the *Australian Countback Method (ACM)*.

1. For 18 hole events the best score for the last 9 holes on the card shall be used; if there is still a tie the last 6 holes or if still tied the last 3 holes. If a tie still persists then hole by hole from the 18th.
2. In 27 hole events the last 18 holes shall be used and if still tied countback as per an 18 hole round.
3. In 9 hole events, the best result for the last 6 holes shall be used; if there is still a tie the last 3 holes, if a tie still persists then hole by hole from the 9th.

COURSE RECORD

The score must be in a Stroke competition and the course must be played:-

- as the ball lies, and
- tees and holes placed so that the course playing distance is substantially the same as the length at which it was rated.

HANDICAPS

All club single and team events to be played off daily handicap unless stated differently in conditions of play.

HOLES IN ONES & EAGLES

A Hole in One and an Eagle will be recognised in all official club competitions including Match Play.

Hole in One and Eagle badges will be presented to successful players.

For a Hole in One a copy of the card or print out will be given to the General Manager. The club will provide an appropriate voucher, a certificate, and a trophy to mount the ball.

For an Eagle the club will provide an appropriate voucher.

Please Note: An Eagle badge will not be given for a Hole in One (just the Hole in One badge).

WET WEATHER

A competition will be held unless the course is declared unplayable and closed or if there are insufficient starters to form a competition. There need to be 16 starters to form a competition – if there are less than this number it will become a ball competition.

The Ladies Captain in consultation with the Match Committee has the right to reprogram major events. Any player who enters the competition does so knowing that the competition will be abandoned if the course becomes unplayable or if there are insufficient starters to form a competition. If the course becomes unplayable during the play of major events the event will be rescheduled where possible.

Due to the large number of cancellations when wet conditions prevail players in the latter half of the draw who wish to play must report to the starter half an hour before their scheduled hit off time.

In the event of withdrawal after commencement of a round due to illness, injury, bad weather or of a situation of reasonable significance, it is the responsibility of the player or playing partners to notify the Golf Shop of the reason for withdrawal. It will be the decision of the Golf Shop to give an NCR Approved at the conclusion of the competition. If using the *MiScore* App notify the Golf Shop.

COVID AND OTHER LEGALLY REQUIRED MANDATORY ISOLATION

If there is a legal requirement for a player to mandatory isolate during a multiple knockout round event e.g. single knock-out or 4BBB, the game may be deferred. This decision is at the discretion of the Match Committee.

HANDICAP GRADES AND PRIZES

In all 18 hole competitions, Handicap Grades and the awarding of prizes, determined by the number of players, is at the discretion of the Golf Shop in discussion with the Match Committee.

- 1 grade will be 0 - 30 players,
- 2 grades will be 31 - 50 players, and
- 3 grades will be above 50 players.

In a Monthly Medal round there must be at least 2 players in each grade for a medal to be awarded.

Balls will be awarded over the field in all Ladies' Competitions and major winners will not be included in the ball countdown.

Awarding of Scratch Prizes

A ball will be awarded for the best scratch score in Grades A, B and C for each Monthly Medal irrespective of awarding other prizes to the same competitor.

Nearest the Pins

There will be 2 NTP holes on Tuesdays and Thursdays with 2 balls awarded on each of the designated holes over the field.

RULES GOVERNING PLAY

All rounds shall be played under the rules of Golf as approved by the *R & A Rules Limited* and the *United States Golf Association* as well as the *Nelson Bay Golf Club's Local Rules and By-Laws of the Nelson Bay Ladies Golf Committee*.

WEEKLY CLUB COMPETITIONS – CONDITIONS OF PLAY

1. The Match Committee shall make all arrangements and have full power to alter or make any variations to the *Conditions of Play* should it be necessary. All disputes will be settled by the Match Committee, whose decision will be final.

2. Competitions will be open to all Lady Members (financial Full Playing, Junior, Life Members, Country, Flexi and Limited Day) who hold a current GA Handicap.
3. Limited Day members participating on a Tuesday will pay visitors' green fees. Please see NBGC administration for conditions relating to *Country, Flexi* and *Limited Day* memberships.
4. Players must enter online prior to an event that is programmed in the Fixtures. The Match Committee reserve the right to alter or change current programmed fixtures.
5. Players shall start at the time laid down by the committee; however, the committee reserves the right to fix and/or alter starting times. Rule 5.3a, states that starting late but within five minutes of starting time, the penalty is –
 - Matchplay – loss of the 1st hole
 - Stroke – a two-stroke penalty
 - Stableford – a two-point deduction

If a player arrives more than five minutes late, they are disqualified from the competition. This relates to all forms of competition. Exceptional circumstances preventing the player from starting on time: The Match Committee has the responsibility for this decision.

6. Players are requested to report to the Golf Shop 15 minutes before the appointed time given in the draw and to be on the tee 5 minutes prior to their start time.
7. Pace of Play: Prompt pace of play is encouraged at NBGC under rule 5.6b and Ready Golf is expected in a safe and responsible way. Rule 5.6 may be enforced – each group must maintain its position on the course with respect to the group preceding it. Any group with a clear hole in front of it will be considered out of position. If you are in a group that notices a group falling behind, then " politely and respectfully" have a word to the group. If slow play continues or the group does not take kindly to the suggestion contact the Golf Shop. Penalties may be issued to individuals in such groups who by their pace contribute to such delay. Warnings may or may not be issued prior to penalties at the discretion of the Match Committee.
8. Mobile Phones: Mobile phones may be used when using the *MiClub* scoring App on silent. Players or caddies who have a medical or other serious reason to have a mobile phone switched on may do so provided they obtain

permission from their playing partners. The audible emission and/or unauthorized use of a mobile phone by a player or her caddie during play is a serious breach of etiquette.

9. Prizes will be awarded as determined by the number of players in the field. Grades may also be determined by the Golf Shop in discussion with the Match Committee depending on the number of players on the day. All ties will be decided by the ACM.

NB: Please see separate conditions of play for various events held during the year (Club Championships, various yearly events, GNSW medal rounds).

Reference to *GNSW Standard Conditions of Play* will be made if deemed necessary.
